

A POINT HACKER'S ITINERARY:

Majestic Jordan

As one of the most elaborate and iconic temples in Petra, Al Khazneh (better known to us as 'The Treasury') is a formidable sight. It towers 40 metres high and has graced our planet for more than 2,000 years. Seeing it in person is an experience not to be missed.

A visit to Jordan should be on any ardent wanderer's wishlist. From the rolling, limestone house-capped hills of Amman to the curiously buoyant waters of the Dead Sea, Jordan will captivate you. Flying there is also easy with Qatar Airways and Velocity Points.

This itinerary can be replicated end-to-end, and you can view the full experience on pointhacks.com.au.
